WINNERS!

Ready for your driver's test?

No one *likes* taking a test, but sometimes it's necessary to prove we know our stuff. The best way to ace it is to study hard and know your subject inside and out. Here are a few preview questions you can expect to see on your driver's test: see how well you do!

1. What would you do when facing a traffic signal that is red with a green arrow?

- a. The same as a stop sign; stop, yield the right of way and go when it is safe.
- b. Drive with caution.
- c. Prepare to stop for red signal.
- d. Stop, do not go until signal is green, but you may go in the direction of the arrow if the way is clear.

2. How should you approach bicyclists on the same road you are driving on?

- a. There is no rule.
- b. Treat them as if they were another vehicle.
- c. Treat them with extreme caution.
- d. The bike rider has to watch out for you.

3. What is the usual color and shape of a "warning" sign?

- a. Yellow and diamond-shaped with black lettering or symbols.
- b. White rectangles with black lettering or symbols.
- c. Red and white with red letters.
- d. Blue with white symbols.

ANSWERS: 1. d, 2. b, 3. a
