Ready for your driver's test?

No one likes taking a test, but sometimes it's necessary to prove we know our stuff. The best way to ace it is to study hard and learn your subject inside and out. Here's a preview question that you could see on your driver's test. Let's see how well you do.

What should you do if one of your tires blows out?

- A. Hold steering wheel straight.
- B. Ease off gas and get vehicle under control.
- C. Get off road.
- D. All of the above.
