

Dear Parent/Guardian,

I am pleased to inform you that _____ School is implementing the AAA School Safety Patrol program. Your child is viewed as peer leader within our school and the School Safety Patrol is an additional program intended to develop leadership skills, while ensuring the safety of all students.

With your permission, your child will be designated as a “AAA School Safety Patroller” and instructed on methods to usher younger classmates on and off the school buses, patrol the parent drop-off/pick-up area, and also within school hallways. The patrollers can be identified by bright green sashes and badges.

Please review and sign the attached release form if you would like your child to participate and e-mail or send it back to school with your child. Further information on your child’s responsibilities will be communicated.

The AAA School Safety Patrol program has a 95 year history of reducing injuries and deaths and fostering leadership skills. Former patrollers include Jimmy Carter, Bill Clinton, Joe Biden, RI Governor Lincoln Almond, Gold Medal Olympian Bruce Jenner, Baseball Hall of Famer Joe Garagiola, Baseball Hall of Famer Tom Seaver, and former Chairman of Chrysler Lee Iacocca.

Please view ***Tomorrow’s Leaders Today*** for an overview of this nationally and internationally recognized safety program:
