AVAA.com/safety
516-878-2409
AVAA NY, 1415 Keilman Place, Garden City, NY 11530
through your local AVAA office:
Additionall traffic safety and bike safety materials can be obtained.

Never walk behind the bus.

If you can't see the driver, the driver can't see you!

Stay out of the danger zone.

Tips for Motorists About School Buses

Red - Danger Zone

Then Color the dots.

Connect the dots.

Try to pick it up.

Tell the driver if you dropped something.

The danger zone is 5 giant steps from the bus on any side.

The first line passes for illegally passing a school bus is a $250 fine. 5 points on your license, another possibility.

Surround the bus.

Danger zone - or the immediate rear area:

Motorists should be particularly aware of the rear of the school bus from the front or overlapping.

School grounds:

If the driver of a police officer waves you on:

Stop for school buses with flashing red lights on.

New York State law prohibits passing a stopped school bus, even when the red lights are flashing and/or

Then you should be aware that:

There is an on-board camera in every school bus.

These laws are designed to protect you and other people on the road to and from school. Illegally passing a bus is a $250 fine.

Possibly 20 days in jail.

Easy end with tragic results.
